Greetings:

I am writing to update you on the outreach plans for the New York Public Interest Research Group Fund, Inc. (NYPIRG).

NYPIRG, as you may know, is a non-partisan corporation organized in 1976 under the New York State Not-For-Profit Corporation Law. NYPIRG's areas of concern include consumer protection, environmental preservation, public health and several other public policy issues. As a charitable organization, NYPIRG files annual financial reports under the provisions of the New York State Executive Law, Article 7-A, with the Secretary of State. NYPIRG has been issued a determination letter from the Internal Revenue Code section 501(c)(3). Contributions to NYPIRG are tax deductible.

We anticipate conducting our door-to-door outreach in your community for a brief period between July 1 and September 1, 2026. Outreach is conducted on Monday-Friday 4pm-9pm, and on Saturdays from 12pm-5pm. Our activities will include circulating support statements, collecting small contributions, distributing information and recruiting support (letters, calls, participation) on a variety of issues of concern to the community.

Your office will receive a list of our employees' names and addresses before we begin working in your community. As always, we will coordinate our outreach activities with those of other organizations to ensure we are contacting residents in the most professional manner.

This letter represents part of our commitment to cooperating fully with local municipalities while we are conducting our outreach efforts. Toward that end, I ask that you please send written confirmation of this letter to albanyoffice@nypirg.org. If you have any questions or need more information, do not hesitate to call me at (845) 825-4403.

Thank you for your attention to this request.
